Junior Summer Tennis Programs

Junior Development Program (ages 10 and up)

Monday through Friday, 4pm to 6pm *beginning Friday, June 1*

\$500/month (\$550 for Non-Members).

Drop-in fee \$40/class per Member, \$45 per Non-Member.

\$35/class if paying upfront for 10 or more classes (\$40/Non-Member).

Classes for students who are ready for match play and looking to develop their games further. Students will be divided up into three groups based on skill level. At various times throughout the week, different groups will have access to more courts than others for point play while other groups are drilling. The first two weeks of June will be a trial period: students performing at a sufficient level and showing a **strong** work ethic and desire to improve will be invited to join the **Advanced Junior Training Program**.

Advanced Junior Training Program

Monday through Friday – 9am to 12:30pm *beginning June 18*

\$600/month (\$650 for Non-Members). Includes initial two weeks of June in the 4 to 6 group.

Modeled after programs at the top tennis academies, our program will run five days a week all summer long. Students who can't make the morning group on a specific day are welcome to come to the afternoon 4 to 6 program. Our program is designed for students willing to put in the time and effort to improve their game over the long-term and will include tennis-specific fitness training, match play and strategy. Students may be required to take private lessons as the coaches see the need. The cost is included in the price. At least once a month, each player is expected to meet with the coach
